

## **Erin Sauv'e**, Executive Assitant

Erin is currently the Executive Assistant for Cameron Communities, a division of Cameron Corporation, assisting with various tasks related to the day to day operations of multiple residential development projects in the Edmonton area.

Erin graduated from the Northern Albert Institute of Technology with a diploma in Landscape Architecture Technology. In 2007, Erin began working for Walton Development and Management as an Administrative Assistant for residential land development. Erin joined Sherrick Management in 2010 as an Administrative/Land Development Project Assistant. Over the course of seven years, Erin became progressively responsible for administration and execution of proposal/contact administration, purchase & sales agreements, community marketing maps and documents, landscape and fencing coordination, builder liaison, and an extensive list of other administrative duties.

Erin loves lush, pristine outdoor spaces and the connection between human wellness and the natural environment. Erin shares her love of nature with her husband and beautiful daughter.
